Transcriber's Office

April 11, 2000 LB 480A

think, if the body wants this program, it should be adequately funded and so I'm moving to override the veto on the 480A bill, the A bill, because other programs are going to suffer, if...my information is that that money will be transferred from somewhere else. And if the program is going to be there, I believe it ought to be adequately funded, and therefore I filed this override motion and would urge the body to consider it. It's a hundred and...it's \$90,252 first year, \$77,000 the second year, \$77,807. And I understand there can be a difference of opinion, but my information is what I just explained. Thank you.

SPEAKER KRISTENSEN: Debate on the override? Senator Chambers.

SENATOR CHAMBERS: Mr. President, members of the Legislature, Senator Wehrbein made the key comment towards the end of his presentation when he said, there might be a difference of opinion. If there is a difference of opinion, we don't have to leave here wondering what the outcome is going to be, we should follow, in this instance I think, Senator Wehrbein's leadership; we should vote to override, put the money there and then there can be no question as to whether or not adequate funds will be available. It will remove any concern that people might have, expressed by Senator Wehrbein that there might be some shifting and moving around within that division, that department. So, in this instance, I'm appreciative of what Senator Wehrbein is doing with this motion and I intend to support it.

SPEAKER KRISTENSEN: Senator Schimek.

SENATOR SCHIMEK: Yes, thank you, Mr. President and members of the body. I'm not going to vote to override this A bill. I don't have strong feelings, one way or the other, but it is my firm belief that it is possible to do this from within. And so I won't be voting to override, but I'm not going to try to tell you all what to do.

SPEAKER KRISTENSEN: Further debate on the motion? Senator Wehrbein, you're recognized to close. He waives closing. The question before the body is, shall LB 480A become law notwithstanding the objections of the Governor? All those in favor vote aye; all those opposed vote nay. Senator Wehrbein,
